

STATINTL

THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

7 July 1976

Dear Alma:

It meant a lot to get your note concerning my new appointment. We have been through an awful lot in the last year to 18 months; now that the ordeal is over, we have a chance to move into a new and better future adjusting to new guidelines and searching for opportunities in the midst of problems. I will give it the best I've got, and having the support and friendship of good people like you will make the task seem a great deal easier.

The new assignment will almost certainly have me traveling from time to time and I look forward to seeing you again in London.

All the best to you and your colleagues.

Faithfully yours,

E. H. Knoche
